FOREWORD

The interlude of our years from freshman frivolity to senior sensibility have been filled with much more than the routine of assignments, tests, and drudgery. The Baronet staff of 1963 will try to portray and enshrine these enduring memories.

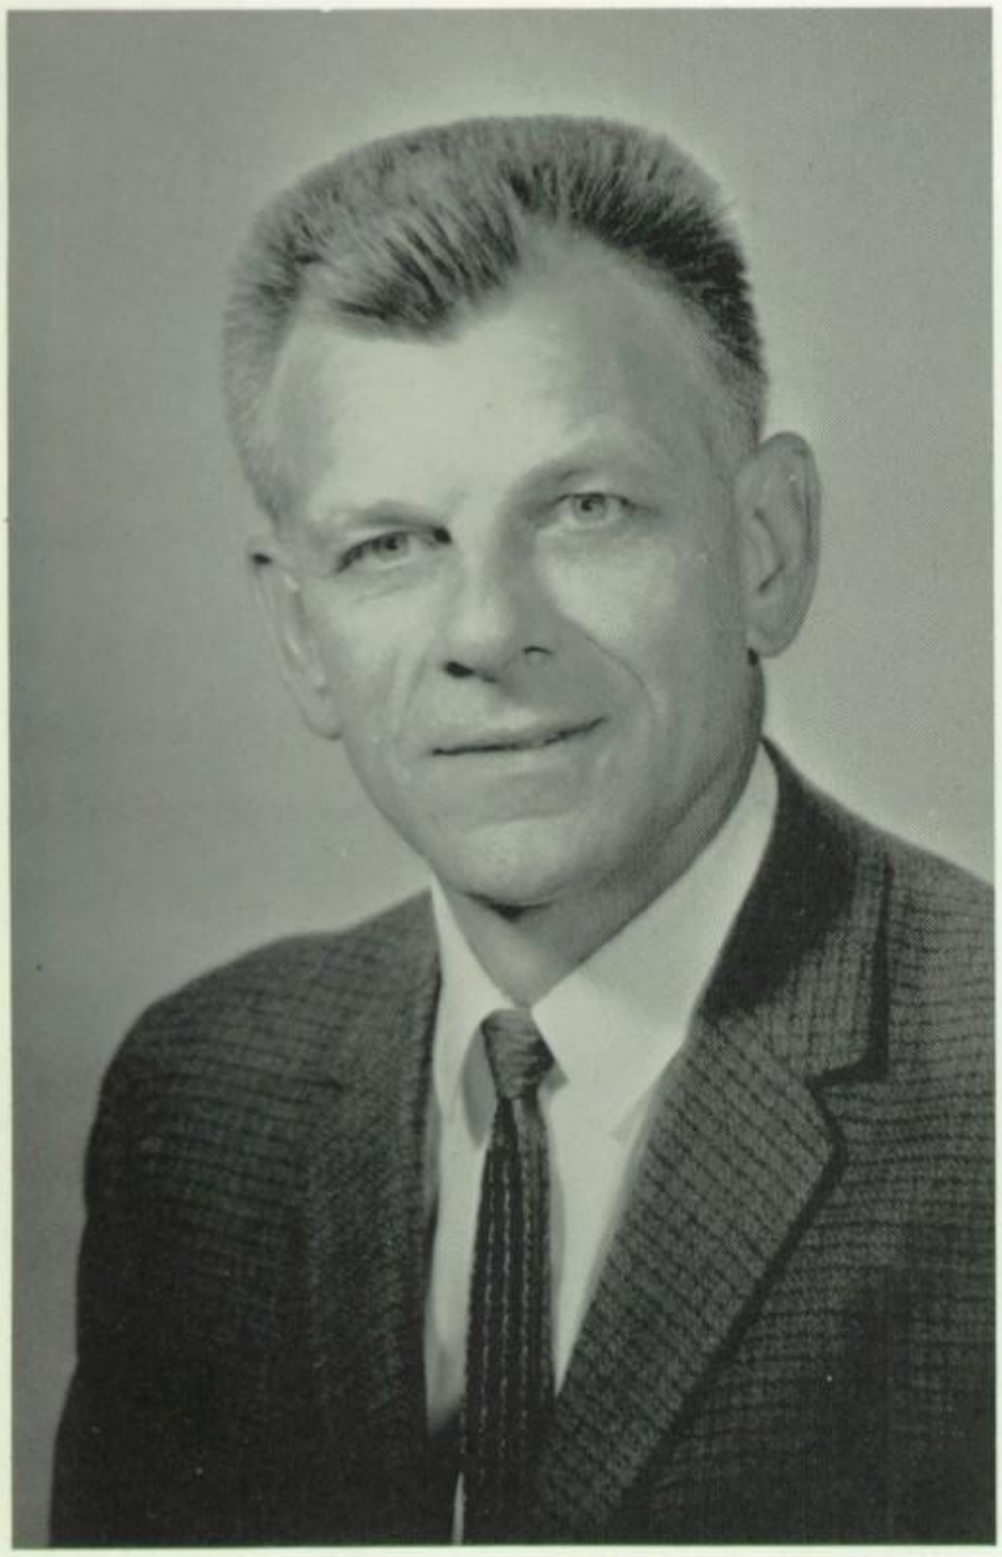
The echoes of Junior Prom music in the spring and the lusty reverberation of autumn football cheers will be heard in retrospect, as you turn these pages.

The cornerstone of our classes has been through progress to accomplishment. As we walk triumphantly through the darkened halls at June's end, the building that the cornerstone supports, the traditions it represents, the lamps of inspiration that its instructors lighted, live on with us.

As the old toast says:

"To past accomplishment,
To the future's challenge of progress,
And to the glow of friendship, Salute!"

WE DEDICATE THIS BOOK TO TWO MEN



JOHN P. SIEDLECKI
Principal
B. B. A., Clarkson
Ed. M., St. Lawrence

Our new principal, Mr. John Siedlecki, has been an example to us in many ways. He has led us on the athletic field, in the classroom, and leads us now as a school administrator.

His broad talents which he has put to extraordinary use have been an inspiration to all who have been his students. His achievements lift our ambitions and make us want to be better than we are.

His dedication to high standards of education makes us better students. His concern for our well-being makes us take stock of our habits and strive for better goals.

Educator, Counselor, Leader, Friend, we salute you.

Mr. Siedlecki takes his new position as principal of Johnstown High School.

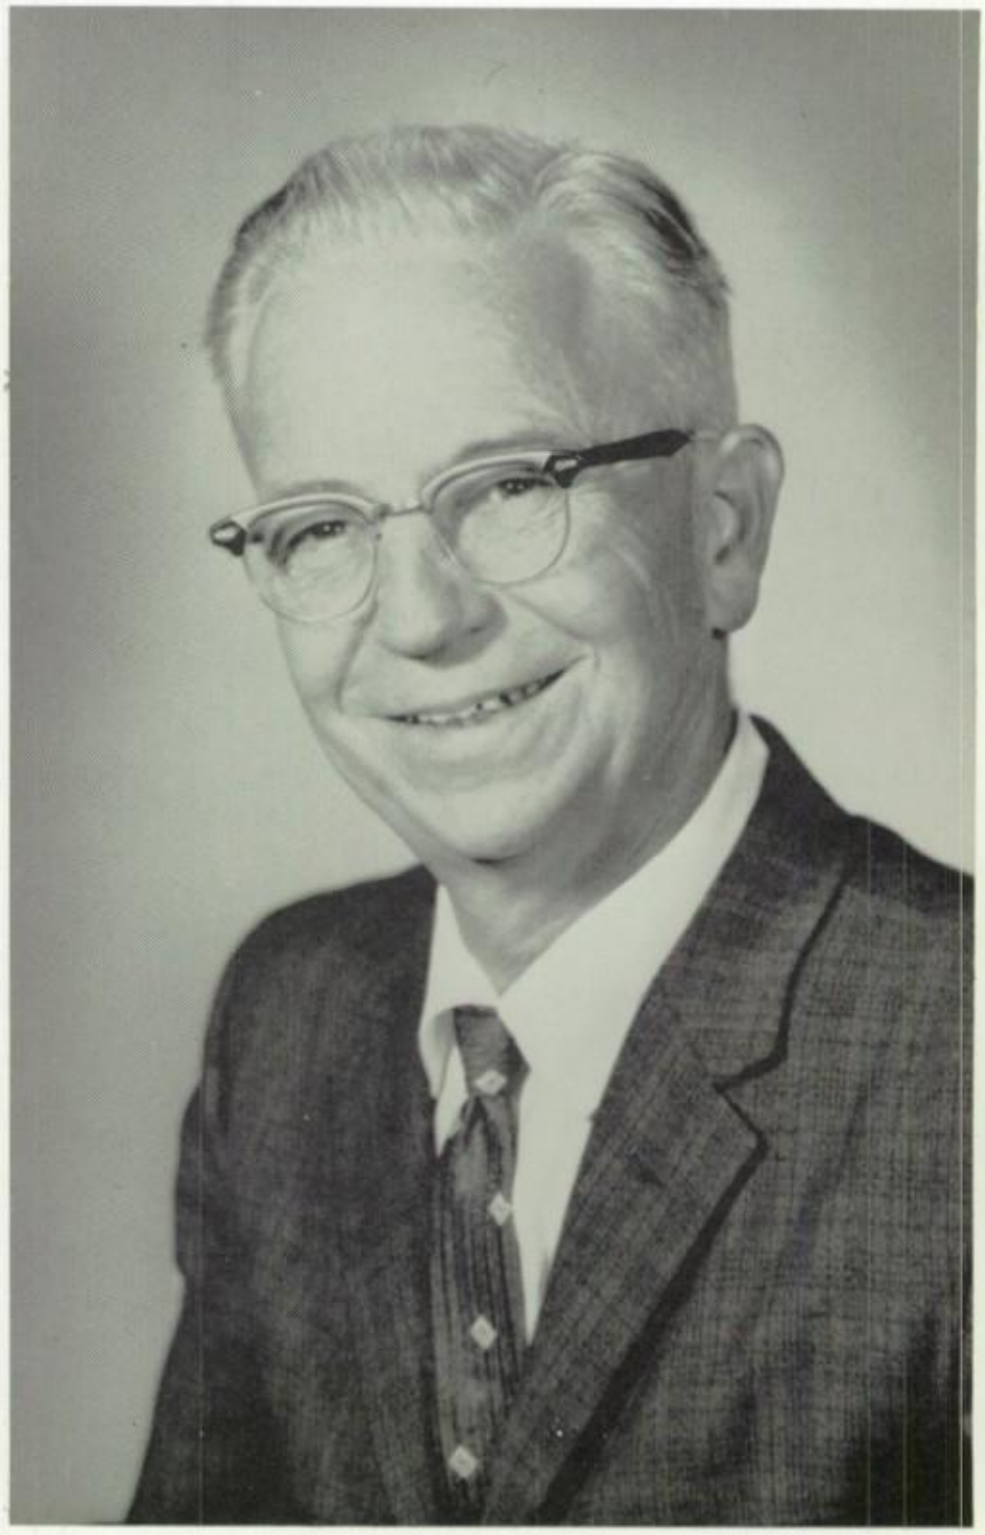
This happy smile portrays the thanks that Mr. Siedlecki gave the people of Johnstown for their thoughtfulness in preparing "John Siedlecki Day" in 1962.

WHO THEMSELVES ARE DEDICATED

Sitting at his new official desk as Vice-Principal, Mr. Willcox is prepared to serve, with a smile.

We can always find Mr. Willcox in the science room busy at experiments.

LLOYD D. WILLCOX
Vice-Principal
B.S. and M.A., St. Lawrence
Science Coordinator
Science Teacher



Let's raise a cheer for "Dutch"! Lloyd Willcox, Johnstown High's new Vice-Principal deserves a robust tribute.

He is a classroom teacher devoted to high standards. His concern for our success is always present as he leads us toward a better knowledge of the world in which we live and a more mature wisdom with which to deal with the problems of such a world.

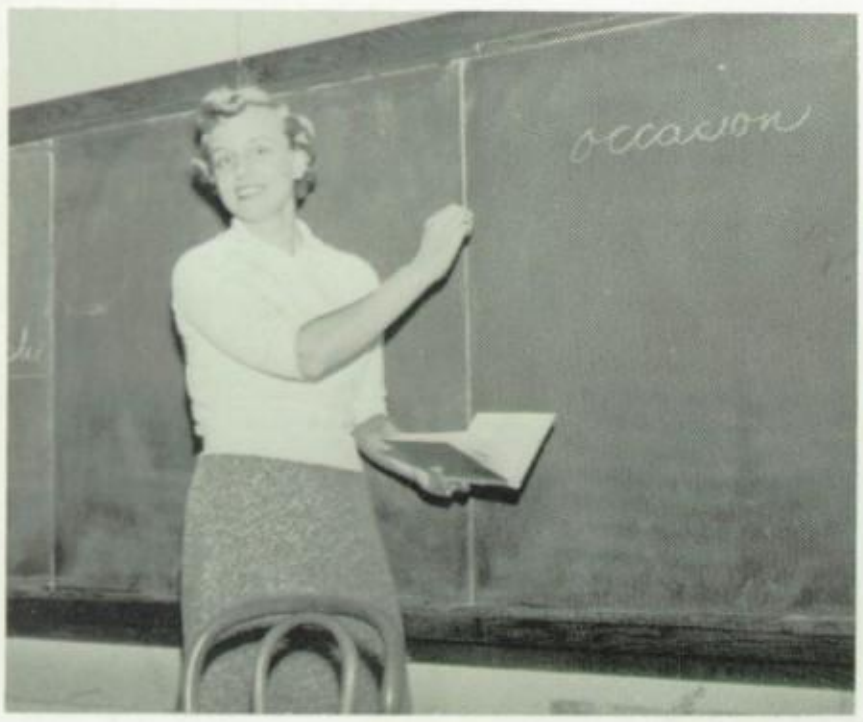
A determination to serve has extended through a third of a century of success as a teacher, science-department head, science coordinator, and now as Vice-Principal!

"Dutch," we cheer you!

IN APPRECIATION

MRS. EVANGELINE HOGUE
Senior Class Advisor

Mrs. Hogue has shown tireless effort in our behalf, kind personal interest in us and deep concern for all our problems.



Along with her regular teaching duties, Mrs. Hogue was selected as our class advisor.

Counting the ballots for senior class officers is one of the first duties our advisor has to perform when school reconvenes.

PLANNING AND PROMMING

Two of the decorators, Arleen Matiasovic and Kathy Connolly seem to be camera shy.

Claude Sykes and Sharon McGregor are having difficulty erecting the king's and queen's throne.

Can't you find the blue crepe paper, Sue Slovick?

Beginning, as Sophomores, the students look forward to the most colorful social event of their high school career, the JUNIOR PROM. Therefore, the Baronet staff chose the Prom to be pictured in the following two colored pages of this yearbook.

What is so interesting to "Gabe" Kollar and "Tom" Simek?

After taking the colored pictures, Frank Ambrose, our photographer, poses with "Chris" Hesek and Roseann Puglisi.

This is our team - Mr. Wright, Principal, Mr. Conant, Supt., and Mr. Siedlecki, Vice-Prin.

JUNIOR PROM

"Enchanted Isle"

All this by candlelight!

We'll always remember this night.

Everything's just as we planned.

WILLIAM MABIN
1945-1961

HE IS NOT DEAD

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you--oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same, I say,
He is not dead - he is just away.

ADMINISTRATION AND FACULTY

THE JOHNSTOWN BOARD OF EDUCATION

Serving without material recompense for the educational advancement of the city of Johnstown, this dedicated group of men persevered with the citizens and voted for the NEW Johnstown High School building.

SEATED, L. to R.: Frederick Franko, John J. Ahearn, 2nd Vice-President; Dr. Robert A. Smith, President; William F. Lampe, 1st Vice-President; Andrew J. Zayicek. STANDING, L. to R.: Carl E. Diltz, Clerk; Jesse H. Robinson, Jr.; William Schreivogl; Everett J. Chamberlain; Harry Christman; Supt. Eugene F. Conant.

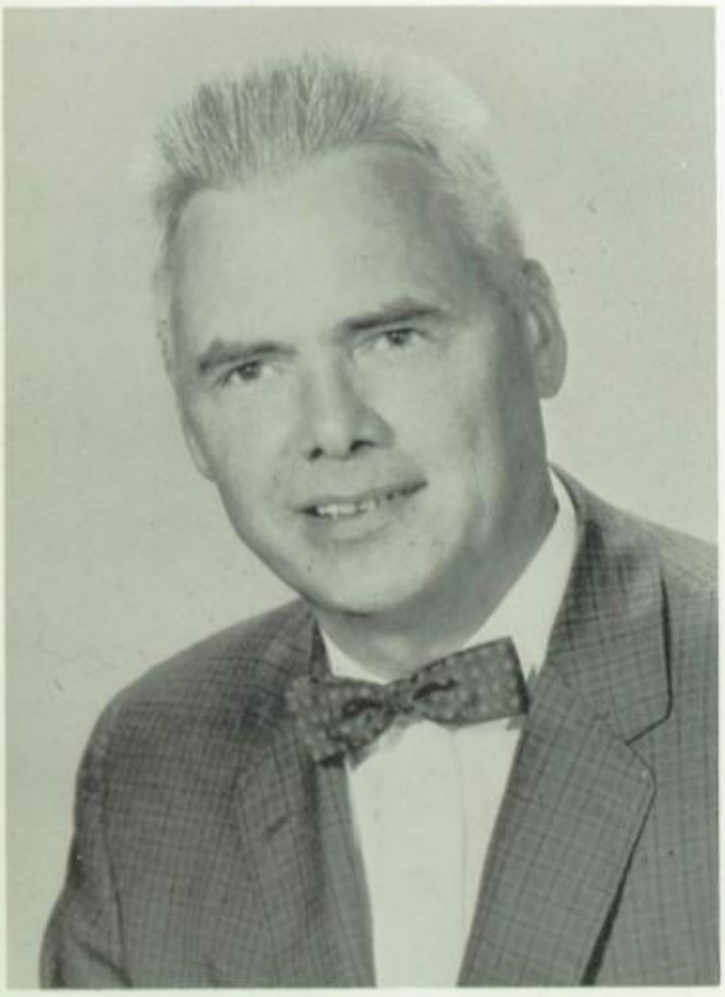
Dr. Robert A. Smith
President, Board of Education

As Acting chief officer of the Board of Education, Dr. Smith presides over all the Board meetings officially scheduled to be held on the third Tuesday of each month. Occupying the presidency, an office which has a term of one year, from July 1 to June 30, he is an ex-officio member of all committees. He also represents the Board at any state function and has to authorize, by signature, certain filings in connection with the annual report for the State Department of Education.

THE FUTURE LOOK OF JOHNSTOWN HIGH SCHOOL

Pictured above is the architect's model of the new Johnstown High School which will be occupied in September 1964 by approximately eight hundred students. It is our wish that the students who have the privilege of attending the modern school will uphold the high standards which have been set in the past and will continue to bring respect and honor to JOHNSTOWN HIGH SCHOOL.

ADMINISTRATION



MR. EUGENE F. CONANT
Superintendent of Schools
A. B., Union; Ed. M., Harvard

CHIEF STAFF OFFICER--skillfully directs the schools in the City School District of Johnstown. Through his many years of loyal and devoted service, he has striven to give the schools the best staff and facilities possible. His foresighted administration has instituted many familiar phases of curricular and extracurricular activities. With the completion of the new Johnstown High School, Mr. Conant will have many major accomplishments behind him.

MR. CARL E. DILTZ
Business Administrator
B. S., Bloomsburg
M. A., Columbia

The Business Administrator serves as administrative assistant to the Superintendent and is responsible for the administration of all business affairs. As Clerk of the Board of Education he acts for the Board in keeping the official minutes, filing and keeping records, reporting as required by law, handling correspondence and making such studies as the Board requires.

MR. GERALD PERRY
Superintendent of Buildings

Mr. Perry has charge of eight school buildings. He and his staff are usually the busiest when school is not in session so that they may work undisturbed.

TEACHERS' SCOREBOARD:

PUPILS — TEACHERS

352 33

Our high school faculty comprises over thirty instructors, teaching almost as many different courses. From 8:10 a.m., check-in time, until 3:20 p.m., when the final bell rings, teachers are kept busy in the classroom. Most instructors teach five classes each day and supervise a study hall besides.

A teacher's day does not end at 3:20. Many faculty members sponsor extracurricular activities. All have papers to check, tests to make out, and grades to average. Each of these tasks prove to be time-consuming, but devoted teachers do them willingly.

Mr. Fratangelo's mechanical drawing class is learning the fundamentals the first week of school.

The Guidance office is always open to parents to discuss their child's curriculum with Mr. Subik, Guidance Counselor.

Mr. Siedlecki and Mrs. Saunders are making arrangements for the packing of caps and gowns after graduation.

Mrs. Buchner, Sharon Smullens and Mrs. Painter are checking Baronet ad sales.

CLASS OFFICERS

We, as Seniors, are soon to venture into the world as individuals, adults, and workers. We leave behind us the protection of our school, teachers, and parents to go into an unknown world with blind enthusiasm.

We are the politicians, professionals, laborers of tomorrow. We ARE tomorrow--the future of a conquerable universe; a generation with new and influential ideas that will some day be part of the ever-growing American heritage.

To us will be left the teaching and guiding of the next generation--the teaching and guiding so ably set forth by our predecessors. Our mistakes, failures, and achievements will be studied as have those of the past.

In order to improve and invent beyond the achievements of our forefathers, we, the youth of today, must strive to become the adults of tomorrow.

The overflow from study hall is required to spend its free time in the auditorium. Mostly sophomores are scheduled in the auditorium during the fifth period.

This Math 10 class is held in a regular English classroom. Math is becoming so involved that many students lose their taste for the subject. In recent years more stress has been placed on Business Arithmetic.

One of the outstanding organizations of JHS is the National Honor Society. Ten boys and fifteen girls of the class of 1963 were chosen by the faculty on the basis of scholarship, character, service, and leadership to represent our school in this national organization. Included in this group are twelve seniors who have maintained a 90% or above average.

We are all proud of this exceptional group and the worthy contributions they have made to Johnstown High School.

SERVE AND THOU SHALL BE SERVED

STUDENT COUNCIL

The governing body of J. H. S. has been headed this year by George Smrtic. Under his direction the Student Council has undertaken various activities ranging from sponsoring dances to erecting the traditional Christmas tree. They owe a great deal of credit to their advisor, Mr. Willcox, who has spent much of his time helping the Student Council to function successfully.

One of the Student Council's projects this year was sponsoring the victory dance after the J. H. S. vs. G. H. S. football game.

A MIGHTY VOICE CONQUERS ALL

Dennis Young, Mrs. Buell, George Pawlaczyk, and Fred Stortecky review the plans for an up-coming tournament.

This year the Debate Club not only attended several out-of-town tournament debates, winning high honors in two, but also made history in the annals of JHS by holding its own invitational meet at Knox Junior High. Although this is one of the largest debating groups in recent years, a great majority of the debaters are letter winners. Mrs. Buell and her assistants, Mrs. Sergeant and Mr. Dustin, deserve a good deal of praise and gratitude for the long hours of work which they contributed in order to make the '62-'63 Debate Club successful.

Election to the National Athletic Scholarship Society is reserved for those athletes who are on the school honor roll for three consecutive semesters and who have earned a letter in one or more sports during the three semesters.

COMBINED EFFORTS

The Baronet Staff has labored many long hours in order to make this yearbook an outstanding one. Without the help of all the editors and the aid of Mrs. Painter, the work of compiling this yearbook would never have gotten past the preliminary stages.

It is their hope that, through the years, the '63 Baronet will always serve as a fond remembrance of fruitful high school days at JHS.

Mrs. Painter, Judy Turrisi, Arlene Matiasovic, and Karol Shull "live it up" at a yearbook seminar held at New Paltz State Teachers College.

Bugle reporter, Donna Stewart, interviews Mike Ruggeri for the question-of-the-month column.

The voice of the press at Johnstown High School is the Bugle, our school newspaper, under the direction and guidance of Mr. Dustin. The material covered in Sir Bill's Bugle ranges from sports events and JHS news to a variety of features. The students themselves type and print the paper four or five times a year.

LIFE CONSISTS OF MUTUAL SERVICE

One of the events that everyone looks forward to is the annual initiation of new members into the Tri-Hi-Y.

Tri-Hi-Y, a service organization under the direction of Mrs. Bowne and the club officers, renders service to Johnstown High School and the community.

Along with the Key Club, the Tri-Hi-Y sponsored a dance and donated their share of the funds to the World Feliowship Organization. Each year, the girls also distribute Heart Fund containers to various merchants of the city. The mother-daughter banquet at the close of the school year is one of the highlights of their program.

An organization opened to interested girls of JHS, the Tri-Hi-Y emphasizes participation in social and community projects.

As usual, the Friendship Club has been very active this year in its efforts to serve our community At Christmas time, gifts were presented to children of "adopted" families and carols were sung by the girls at the hospital and the Willing Helper's Home. A tea is always held in the spring in order to raise money, most of which is donated to various charities.

Marilyn Sampson, Sherry McGregor, and Kathy Connolly make plans for the annual tea held by the Friendship Club in the spring.

A HERITAGE OF SERVICE

Paul Cromer, vice-president of the Key Club, and Carole Weirs, president of Tri-Hi-Y, make plans for a dance sponsored by both organizations featuring the BONNEVILLES.

In order to become a member of the Key Club, one must have specific qualifications. A member must exhibit a sound, academic background as well as qualities of leadership and a desire to help others.

This year, the main activities of the club have been the sponsoring of a dance with the Tri-Hi-Y and the selling of programs at the Johnstown-Gloversville game.

JHS can be proud of the work of the Key Club. This organization is a great benefit to the school and represents our high school well in the community.

Meeting eight o'clock for about three weeks last fall, the Slide Rule Club actually functioned as an extracurricular class. Some of the members became quite proficient in manipulating the slide rule. Information gained from the meetings will be very valuable to them when they enter college next fall.

Larry Simek and John Tagliaferri use a slide rule to figure out a tough math problem.

Pete Putman threads the projector for film to be shown in the commercial room.

One of the most helpful service organizations, the Projectionists, are always "on the job" when beckoned by teachers in need of assistance with temperamental motion picture projectors. Members of this club gain not only the gratitude of the teachers, but the good experience in mechanical crafts as well.

Dorothy Jones and Marianne Wade discuss their future teaching careers after an F.T.A. meeting in Mrs. Lorence's room.

Future Teachers of America is an organization designed to give pupils interested in a teaching career a source of information concerning it. Through this club, members hear lectures by prominent citizens and get first-hand information from teachers on the subject of education.

The F.T.A. also holds bake sales, dances, and candy-selling drives in an effort to raise money for the scholarship presented to a deserving member of the club each year. Another one of this organization's activities is the sponsoring of an annual teachers' tea at the home of Mrs. Lorence, the F.T.A. advisor.

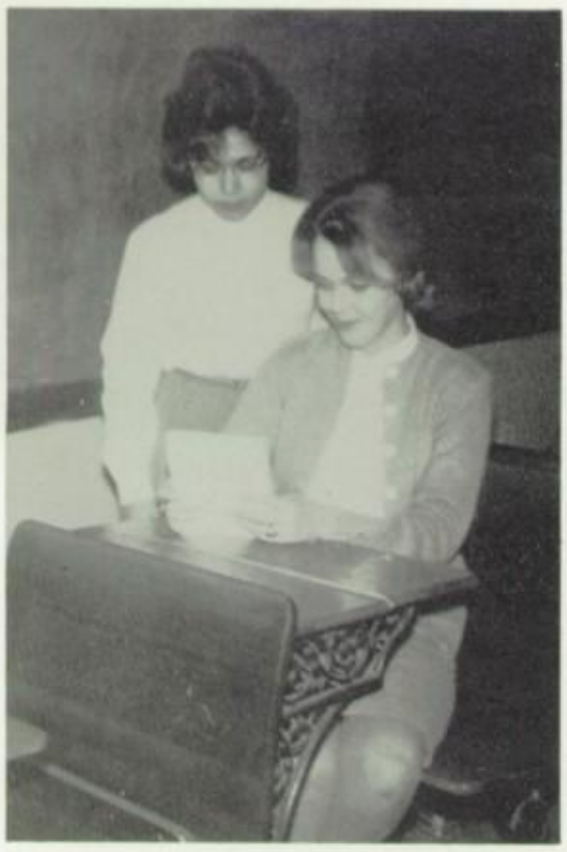
HERE ILLNESS IS CARED FOR

Linda Kollar, Carol Fitzsimmons, and Judy Kollar discuss plans for the next field trip that the F.N.A. will make to a hospital.

Future Nurses of America is a fairly new organization to Johnstown High School and is sponsored by Mrs. Aldrich, school nurse. These would-be nurses are introduced to various fields of nursing and medicine by seeing movies and hearing lectures concerning such topics.

This active club holds bake sales in order to visit large medical centers such as St. Mary's Hospital, Ellis Hospital and Sunny-View Children's Hospital on their worthwhile field trips.



Carol Fitzsimmons and Marietta Taddune make a survey of the toys they have collected for the underprivileged children.

JHS has a Junior Red Cross representative in every homeroom. Under the direction of Mr. Cole, faculty advisor, this group carries on various projects for the Red Cross throughout the year. For example, at Christmas time, a party was organized for about forty underprivileged children of this area. Likewise, the Junior Red Cross asked the home economics and shop classes to make such presents as place mats and cribbage boards for the elder citizens.

Recently, this organization has introduced the policy of sending two representatives to an expense-paid Red Cross convention at Hood College in Maryland.

Anita Tartell puts up a poster that helps boost our teams' morales.

Many vibrant cheers come from the mouths of the people pictured above, since the Booster Club donates their part to every football and basketball game by yelling along with our peppy cheerleaders. Under the supervision of Mr. Landrio, these girls boost our school and team spirit by placing colorful posters throughout the corridors during our athletic seasons.

MUSIC HATH CHARMS

CHORUS

Rehearsing three days a week has certainly proved that this year's chorus is one of the best we have ever had, as shown during their annual Christmas assembly. Mrs. Russell is to be commended for her work in directing the chorus, and also for the superb solo she contributed to the program.

Each year the chorus, under the direction of Mrs. Russell, presents a musical Christmas assembly.

BAND

Many days of rehearsal go by so the band can play to perfection at all of our home football games.

Mr. Wroble directs the members in playing one of the marches performed during the annual band assembly.

During this year's football season, the J. H. S. band under the able direction of Mr. Wroble, had a perfect record: they did not fail to perform at a single home game. The annual concert, presented in December, consisted of show tunes, marches, and a novelty number featuring Bob Carlson.

SCHUSS AND SLALOM AT ROYAL

This year's Johnstown High Ski Team has done a remarkable job, placing third in its annual Invitational High School Ski Meet and fourth in the meet at Saranac Lake. Exceptionally fine skiing ability is credited to Jon Adams, Brian Cridland, Luther Conant, Tom Easterly, and John Humler. For all the hard work that our boys have done and for the excellent job Jim Underwood has done in coaching the team, the whole student body looks to them with admiration.

Luther Conant heads out through the first gate at one of the high school meets held at Royal Mountain.

Left to right: Jeff Folmsbee, Ron Shults, Vic Pellegrino, Frank Gross, Jim England, Al Cappadozy, Ed Billa, Capt. Bill Roach, Nit Valachovic, Dave Seaman, Jim Burda, Coach Milt Zoellner.

LUSTY CHEERS WIN SCHOOL SPIRIT

Both the varsity and jayvee squads are cheering our football team on to victory at beautiful Knox Field.

Cheerleaders for the '62-'63 athletic season were chosen in the spring of '62 by a committee of faculty members. Six girls were chosen for the varsity and five for the jayvees, with one substitute for each squad.

Throughout the football season the cheerleaders staged pep assemblies to instill school spirit in the student body. Needless to say, they were successful. At least the team knew they had someone backing them up, rain or shine. (Remember?)

During basketball season our cheerleaders attended every home game as well as those away. A great deal of credit is owed to them for their strong support to both teams as they cheered them on to victory.

ACHIEVEMENT FOR THE PURPLE AND GOLD

Probably one of the greatest marks of prestige in high school is to own a letter denoting high achievement in some sport. Every one of the fellows in this picture has earned at least one letter. Some have accumulated as many as two or three insignias to add to their letter.

Dave Jones, one of the lettermen at JHS, jumps for the rebound during a game against Bishop Burke.

VALACHOVIC — '63 ATHLETE OF YEAR

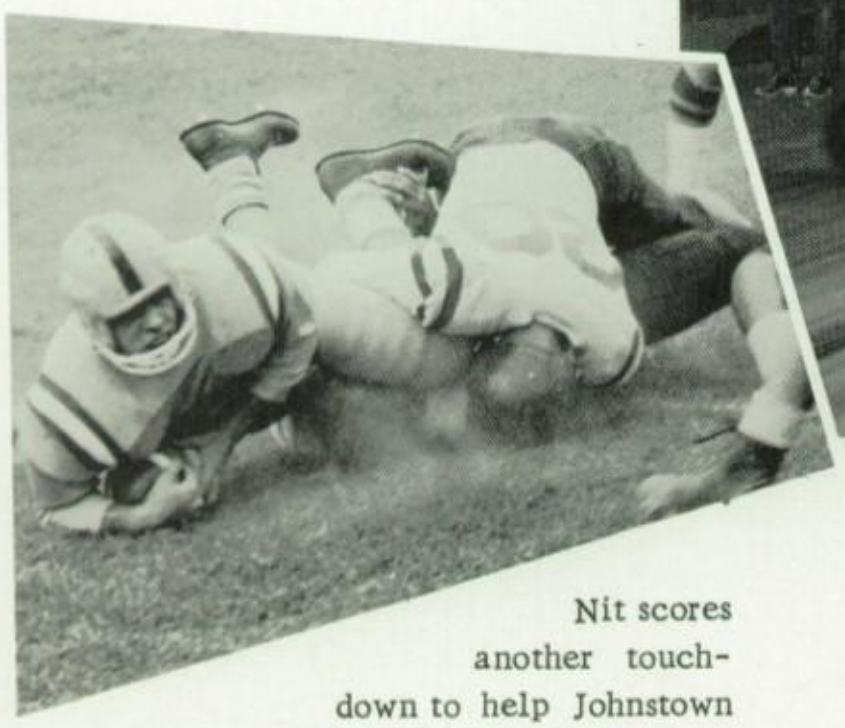
THOMAS (NIT) VALACHOVIC

Thomas (Nit) Valachovic, honor student, and four-sport star athlete at JHS, is Johnstown's Athlete of the Year for 1963.

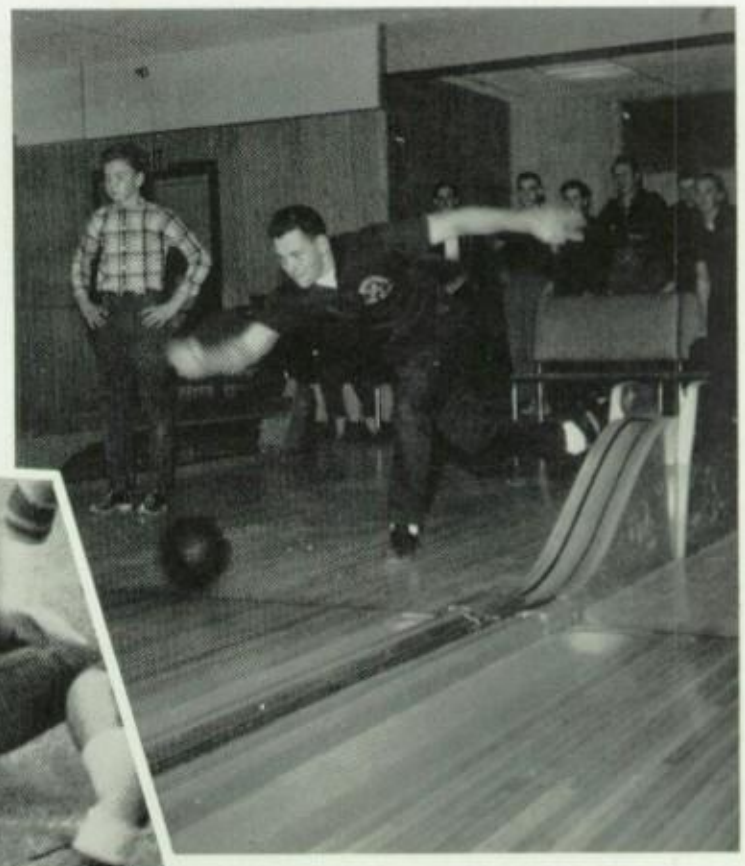
Valachovic is one of the top students in scholastic standings in the '63 graduating class. In track, Nit is a 220-yard sprinter and competes in the broad jump. He is also a member of the team's relay team.

During summer months, he is a caddy and a member of the Nick Stoner Club's junior golf team. Nit won the Fulton County Junior title in '61 and was runner-up in the First Annual Gloversville Junior Chamber of Commerce Tournament.

Tom was honored at a breakfast Sunday, January 13, sponsored by the Immaculate Conception Church and featuring Joe Pepitone of the New York Yankees as guest speaker.



Nit scores another touchdown to help Johnstown beat Draper. Tom has served as co-captain of the '62 squad and varsity performer on the unbeaten '62 and '61 teams.



"Strike!" That's the call at the Johnstown Bowling Center where Tom turns in steady performances in scholastic matches for the JHS varsity bowling team.

GOLF — 1963

Left to right: Dave Sponenberg, Ed Subik, John Warren, Claude Sykes, Jim Corbett, Jack France, COACH Jack Wroble.

The three Senior members of J. H. S. Golf team - Jim Corbett, John Warren, and Claude (Rebel) Sykes.

This year the golf team began its season by practicing at the Kingsboro Golf Course after Easter vacation. This season the team participated in the Western Conference and played many of the schools that the other athletic teams do.

In May, the team played in the Section II match at the Amsterdam Municipal Golf Course and made a very good showing. They placed seventh out of a field of about 25 schools in the Western Conference. John Warren tied for third place and was able to go to Long Island for the state championship.

VARSITY BASEBALL — 1963
